

Goodbye Cramped Hotel Rooms Hello **WHISPERING MEADOWS** Corporate Suites

Why would anyone stay in a cramped hotel room when you can have a fully furnished 1000 sq. ft. corporate suite at Whispering Meadows for less?

We offer beautifully furnished Corporate Suites, either a one bedroom/ one bathroom home (750 sq. ft.) or a two bathroom apartment home (1000 sq. ft.). They are so nice, we think they're simply the best value in Bakersfield. Be an informed consumer - ask any property you're considering these questions:

- Is the corporate suite you want **AVAILABLE WHEN YOU NEED IT** or must you commit to 1 month or even 3 months just to get in? Will they charge you an absurd set-up fee?
- Is weekly **HOUSEKEEPING** optional for a low monthly cost - including fresh linens, vacuuming, clean kitchen and bathroom, etc?
- Does the home include **QUALITY FURNITURE, COMFORTABLE BEDS, FULL SIZE WASHER AND DRYER** and all kitchen equipment you need to feel at home? Does it feel comfortable - a place you could actually relax, enjoy and re-charge your batteries?
- Is there a **GOOD FITNESS CENTER**, with equipment you'd actually want to use? Do you have **TWO POOLS AND SPAS** to choose from?
- Can you check into your **FURNISHED** suite after hours, when the office is closed?
- Is high speed internet hook up possible?
- Does the TV come with 76 channel cable TV and DVD or VCR included?
- Does the property **OFFER A REFERRAL FEE** if you recommend the place to a friend or co-worker who moves onto the property while you live there or even after you leave?

At Whispering Meadows, we believe we offer the best value in Bakersfield for a really nice suite. We're proud of them and we believe you'll like them too. Call Dana Barton, our Corporate Suites Director and ask her why she deserves your business.
